## IMPORTANT DEADLINES

**10 June 2004** Submission of registration form for Conference  
**30 June 2004** Submission of abstracts  
**06 September 2004** Arrival and registration  
**06 September 2004** Submission of full-length papers  
**06-11 September 2004** Conference working days

## THE MAIN TOPICS OF THE CONFERENCE ARE:

[A] Physics of radiation phenomena in metals and alloys;  
[B] Structural materials and nuclear fuel for reactors on thermal neutrons;  
[C] Structural materials for reactors on fast neutrons and for fusion reactors;  
[D] Physics of radiation and ion-plasma engineering;  
[E] New nuclear-power reactors and irradiation facilities.

## LANGUAGES

XVI Conference official languages will be **Ukrainian, Russian and English.**

## Instruction for authors for preparation and submission of extended abstracts and full papers

A book of two-pages extended Abstracts of accepted papers will be published before the Conference as "XVI-th Conference Proceedings" in "Voprosi of atomic science and engineering" as a special issue. Abstracts must be prepared for direct reproduction in English, Russian or Ukrainian with official approval and sent to the organizing committee **not later 30 June 2004**.

The text should be typed laser-jet or ink-jet printer clearly and accurately on one side only of 210mmx297 mm size so that the direct reproducing will be possible. The left margin will be 25 mm, all others-20 mm. Recommended type is Times New Roman (Cyr) or equivalent one, size of letters-12, space-1,5.

Original full-length papers not exceeding 10 pages in one of the Conference language must be submitted to the Program Committee at the registration desk in Alushta. Papers must be presented typed and in electronic version in Word Redactor (The electronic copy should match the hardcopy exactly). The presented papers must be supplied with the official authorization for publication.

Accepted full-length papers will be published after the editorial board approval in a special volume of Journal "Problems of Atomic Science and Technology, series Physics of radiation damage and radiation material science".

## PARTICIPANT REGISTRATION FORM

Family name \_\_\_\_\_

First name \_\_\_\_\_

Country \_\_\_\_\_

Present position \_\_\_\_\_

Company or organization \_\_\_\_\_

Position, scientific degree \_\_\_\_\_

Paper title \_\_\_\_\_

Duration of stay \_\_\_\_\_

Accompanying persons \_\_\_\_\_

Correspondence address \_\_\_\_\_
