International Topical Meeting

VVER - 2004
EXPERIENCE
AND PERSPECTIVES

SECOND ANNOUNCEMENT
PRELIMINARY PROGRAM

October 19 – 22, 2004
Prague, Czech Republic
Dear Colleagues,

Below please find the Second Announcement and Preliminary Program for the International Topical Meeting "VVER – 2004, Experience and Perspectives". The Meeting is organized to be a continuation of the successful conference on VVER nuclear power plants, held in Prague in 2000.

CONFERENCE PURPOSE

To exchange information on all aspects of safe, reliable and economically competitive operation of NPPs with VVER reactors. Main targets of the Meeting are to analyze current experience in operation of the plants and discuss future plans and potential issues.

TARGET AUDIENCE

Owners, operators, Regulatory bodies, architect-engineers, manufacturers, and suppliers of VVER nuclear power plants. Organizations involved in plant upgrade programs as well as new NPP concepts.

MEETING LANGUAGE

The working languages of the Meeting are English and Russian. Simultaneous interpretation will be provided during the whole conference program.

PROCEEDINGS

A copy of the Book of Abstracts will be distributed at the conference. The Proceedings containing full papers presented at the conference will be published in a CD form after the conference and sent to the participants.

VISA REQUIREMENTS

Please visit the site of the Ministry of Foreign Affairs in order to verify your visa requirements, www.mzv.cz.

Should you require more information, or invitation letters, please contact:
Marcel ŠIMANDL from TERIS company, phone: + 420 261 210 325, Fax: + 420 261 218 992, e-mail: simandl@teris.cz
EXHIBITION

Furnished modular stands:
- 3 x 3 m at a price: 850,- EUR
- 3 x 4 m at a price: 1200,- EUR
will be available in the Foyer of the Conference Hall.

Modular Panels 2 (high) x 1 (width) with table and 3 chairs
at a price 400,- EUR
will be also available in the Foyer of the Conference Hall.

For further information please contact the National Organisation Committee Secretariat TERIS 2002, a.s.

MEETING FEE

Registration Fee valid for registration made before
September 1, 2004……………………………………… 400,- EUR
Registration Fee valid for registration made after
September 1, 2004……………………………………… 450,- EUR

For members of Czech Nuclear Society and INTERATOMENERGO:
Registration Fee valid for registration made before
September 1, 2004……………………………………… 300,- EUR
Registration Fee valid for registration made after
September 1, 2004……………………………………… 350,- EUR

No refund will be made for cancellation after October 1, 2004. For cancellation before that date, a handling fee of 50,- EUR will be retained.

CONFERENCE VENUE

STEP HOTEL
Spojovací 1141, 190 00 Praha 9
Czech Republic

Locations of the hotel is an ideal place for business meetings and conferences.
Public transport connection: subway line “B”, Palmovka or by tram Line 8 – stop Balabenka, about 10 minutes to the city centre.
The Hotel offers conference facilities for up to 342 persons. There are congress hall, 2 meeting rooms.

Meeting’s Salon 8th floor and 7th floor.
Separate hall for Meeting exhibition.
The STEP hotel offers high standard accommodation in Prague in 144 DBL rooms, 8 SGL rooms and 8 suites. All rooms are equipped with bathroom (shower or tub), WC, satellite TV, direct access telephone and room service. Buffet breakfast is served in the hotel restaurant. Lunch and dinner offers variety of Czech and international cuisine.

Other hotel services includes: free secured parking, exchange office, laundry and dry cleaning, souvenir shop, taxi services, bowling, fitness centre, sauna, solarium and Jacuzzi.

HOTEL ACCOMMODATION PAYMENT AND PAYMENT CONDITIONS

1. Use enclosed Accommodation Form to order the accommodation.
2. Accommodation Form has to be signed by you and sent by fax or by e-mail to the National Organizing Committee office TERIS 2002, a.s. company.
3. For guarantee your reservation we need the credit card details (see Accommodation Form).
4. TERIS 2002, a.s. will handle your reservation and will send you the confirmation directly.
5. Payment of your accommodation will be done in EUR (or CZK) by bank transfer, by credit card or by cash at the registration desk.
6. For further information concerning your hotel reservation, please contact:

   Mrs. Mirka PŘIBYLOVÁ
   TERIS 2002, a.s.
   Štětkova 18
   140 68 Prague 4
   Czech Republic
   Fax: 00420-261223873
   Tel: 00420-261223873
   E-mail: pribylova@teris.cz

HOTEL ACCOMMODATION AND CANCELLATION CONDITIONS

1. Cancellation of the hotel reservation has to be made in writing to TERIS 2002, a.s. company before September 15, 2004.
2. If you will cancel your hotel reservation after September 15, 2004 or cancellation will not be done by you, you have to pay of one night accommodation price. The invoice will be sent on your company or with drawn from your credit card.

SPOUSE PROGRAMME

The following programme covers the principal monuments and historical treasures of Prague and its vicinity.

1. CITY TOUR – A DAY IN PRAGUE
   (Tuesday, October 19, 2004, price: 25 EUR)
   During the Grand City Tour you get the general impression of the „Golden City“, completed by walks and inside visits. By bus, you pass the State Opera, the National Museum, Wenceslas Square with the St. Wenceslas Statue, and then get all the way to the Prague Castle district. Here you enjoy a walking tour, pass by the Archbishop Palace, you visit St. Vitus Cathedral, the Royal Palace and the Golden Lane. Then you continue by bus, across the Vltava river to Pafižská Street passing through the Jewish Ghetto. The tour finishes at the Old Town Square surrounded by the Old Town Hall with the famous Astronomical Clock, Týn Cathedral and St. Nicholas church.

2. KUTNÁ HORA – UNESCO TOWN
   (Wednesday, October 20, 2004 - Tour outside Prague – price: 35 EUR)
   This half-day tour takes you approx. 65 km from Prague to Kutná Hora, the ancient silver-mining town, founded in the 13th century, full of splendid Gothic monuments. The walking tour through the town includes a visit of the St. Barbora’s Cathedral with its valuable paintings and the former Royal Mine that once produced Prague groschen. Up to our days Kutná Hora still presents itself as a medieval town.

3. CRUISE - Prague by night - recommended evening activity
   (Wednesday, October 20, 2004 2,5 hours tour, price: 25 EUR)
   Grand panoramic cruise through Prague, more than 2 hours of fascinating experiences and panoramic view of the most famous historical monuments in Prague. Typical Czech dinner served beneath the arches of the historical Charles Bridge, by the banks of the Lesser Town.

4. KARLOVY VARY SPA / Karlsbad
   (Thursday, October 21, 2004 - day tour, price: 50 EUR)
   A visit to this well-known and charming spa, situated 130 km west of Prague. The fame of the twelve thermal mineral springs (with temperature of 30 – 72 C) has attracted visitors for many centuries. A visit to the spring for a mineral water testing along with lunch at a typical local restaurant are include in the programme.
5. JEWISH TOWN
(Friday, October 22, 2004 - half-day tour, price: 25 EUR)
A trip to Jewish history. During this walking tour you will see the only Central European Jewish quarter that survived the holocaust. You will stroll through the Jewish Cemetery, visit some of six synagogues and Kafka’s house. You will walk through Maislova street and reach the Old town square, where your journey to past end.

6. ČESKÝ KRUMLOV – UNESCO TOWN
(Saturday, October 22, 2004, day tour, price: 50 EUR)
The tour shows you the charming South Bohemian countryside, full of little villages and ponds, and reaches the medieval town of Český Krumlov. The castle is the second largest one in the Czech lands (after the Prague Castle). You will see interiors of this splendid castle as well as the old town with romantic lanes and newly reconstructed houses.

7. KONOPIŠTĚ CASTLE
(Sunday October 23, 2004, half-day tour, price: 30 EURO)
The Konopiště chateau is about 45 km out of Prague. It was founded in the 14th century and in 1887 it was renovated by the successor to Habsburg throne, František Ferdinand d’Este, who was assassinated in Sarajevo in 1914, starting the 1. World War. The chateau is famous for its fascinating collection of weapons and hunting trophies.

FURTHER INFORMATION
For full information about the Meeting, see

or contact Program Committee Executive Secretary or National Organization Committee.
Chang Nan (Jiangsu Nuclear Power Corporation), People’s Republic of China:
Construction and Licencing Process of VVER NPPs in the People’s Republic of China

Discussion

12.30-14.00  Lunch

14.00-15.30  Section 1. - continuation

Svoboda Č. (Nuclear Research Institute Řež plc) Czech Republic:
Commissioning of Temelín NPP as seen be Scientific Supervisory Group

Hurych J., Ubrá O. (Škoda Praha, a.s.), Czech Republic:
Temelín 1000 MW Units Commissioning Experience

Krška J., Holinka J., Lampert L., Kůrka J. (I&C Energo), Czech Republic:
Experience with Commissioning of the I&C Systems of the NPP Temelín

John A. (ČEZ a.s.), Czech Republic:
Nuclear Energy and Public Relation in the Czech Republic and its Neighbours

Closing Discussion to Section 1.

15.30-16.00  Coffee break

16.00-17.00  Section 2. Experience with NPPs with VVER Reactors

Kadečka P., Žďárek J., Krhounek V., Samohýl P. (Nuclear Research Institute Řež plc), Czech Republic:
Safety Design Bases Collation for Czech VVER NPPs

Efanov A.E., Martynov P.N., Kalyakin S.G., Kornilov V.P., Kochetkova E.D., Leshkov V.V. (IPPE Obninsk), Russian Federation:
Hydrogen Concentration Control System in Containment at Beyond the Design Basis Accidents

Rosol J., Karpeta Č. (ČEZ a.s.), Czech Republic:
Refurbishment of the NPP Dukovany I&C System

17.00-18.00  Poster Section

Wednesday, October 20, 2004

9.00-10.30  Section 2. - continuation

Roupec M., Peřinka P., Beneš M., Petružela I. (I & C Energo), Czech Republic:
Experience with I&C Systems Modernisation Program at the NPP Dukovany

Shejbal J., Valášek R. (ČEZ a.s.), Czech Republic:
VVER 440 In Service Inspection Qualification Process in the Czech Republic

Schererová K., Holub I., Štěpán J., Malý J. (Nuclear Research Institute Řež plc), Czech Republic:
Seismic Qualification of Civil Engineering Structures – Temlín NPP

Siorka A., Tokarev V., Bakhmach E. (CJSC “Radiy”), Ukraine:
Development and Introduction of Reactor Control System VVERs-1000 Program – Technical Complexes

Váša I. (Nuclear Research Institute Řež plc), Křížek K. (ČEZ a.s.), Czech Republic:
NPP Dukovany Modernisation Programme for Long-Term Safe and Efficient Operation

10.30-11.00  Coffee break

11.00-12.30  Section 2. - continuation

Žďárek J., Pečínska L., Jarolímek V. (Nuclear Research Institute Řež plc), Czech Republic:
Application of French “superpipe” Concept to VVER 1000 Steam Piping and Feed-Water Lines in Room A820

Chang Nan (Jiangsu Nuclear Power Corporation), People’s Republic of China:
Main Technical Innovations Implemented at the NPPs with VVER Reactors in the People’s Republic of China

Babenko V.V., Kazymyrov A.S., Kazymyrova G.F., Rudyk A.F. (Research and Productive Enterprise “Atom Kompleks Prylad”), Ukraine:
Instrumentation of Systems for Radiating Control and Nuclear Power Objects Monitoring

Brožek P. (Modřanská potrubní, a.s.), Czech Republic:
Safety Increase of Piping Systems and Valves for NPPs Type VVER 1000 and 440

Horáček L., Palyza J., Žďárek J. (Nuclear Research Institute Řež plc), Czech Republic:
Pilot Study for Application of Risk Informed In-service Inspection Approach

12.30-14.00 Lunch

14.00-15.30 Section 2. - continuation

Šťastný J., Anděl J., Fajgl P. (Nuclear Research Institute Řež plc), Czech Republic:
Safety Analyses of the Electrical Systems on VVER NPP

Dubský L. (Nuclear Research Institute Řež plc), Vymazal P. (ČEZ a.s.), Czech Republic:
Preparation of NPP Dukovany Periodic Safety Review

Masopust R. (Stevenson and Associated, s.r.o.), Czech Republic:
Lifetime Extension of VVER-Type Nuclear Power Plants, Safety Aspects

Vittek J. (Slovenske elektrarne, joint stock company), Slovak Republic:
Status of Safety Monitoring in Slovenske elektrarne, joint stock company

15.30-16.00 Coffee break

16.00-17.00 Section 2. - continuation

Nopper H., Roessner R., Zander A. (Framatome ANP GmbH), Germany:
COMSY – A Software Tool for PLIM + PLEX with Integrated Risk-Informed Approaches

Brumovský M., Kadečka P., Žďárek J. (Nuclear Research Institute Řež plc), Czech Republic:
Proposal to Programme of NPP Lifetime

Bělůč J., Pecka M., Valach M., Vočka R. (Nuclear Research Institute Řež plc), Czech Republic:
New Methods for VVER Core Monitoring Systems to Adress Advanced VVER 440 Fuel Types and Digital I&C Systems

Discussion

17.00-18.00 Poster Section

Thursday, October 21, 2004

9.00-10.30 Section 2. - continuation

Čada R., Krýsl V., Mikoláš P., Švarný J. (ŠKODA Nuclear Machinery), Czech Republic:
OPAL The in-core Fuel Management Code System for VVER Reactors

Russian Federation representative (Authors will be specified):
Development and Testing of Advanced Nuclear Fuels for VVER Reactors

Borovička M., Štech S., Švarný J., Veselý P. (ČEZ a.s.), Czech Republic:
A Five-Years Fuel Cycle Implementation at the Dukovany NPP

Tinka I. (Nuclear Research Institute Řež plc), Gerža J. (ČEZ a.s.), Czech Republic:
Periodical Check of the NPP Dukovany Fuel Cycle Safety

Closing Discussion to Section 2.
10.30-11.00  Coffee break

11.00-12.30  Section 3. Perspectives of NPPs for Period 2010 - 2030

Haug P. (FORATOM):  
Nuclear Energy Status and Future in Europe

Saraev A.A., Russian Federation:  
Nuclear Power Development Plans in the Russian Federation

Representative of Finland – Author(s) will be specified:  
A New Nuclear Power Plants in Finland

Matal O. (ENERGOVÝKUM, Ltd), Hosnedl P. (ŠKODA Nuclear Machinery), Czech Republic  
Materials, Coolants and Components for Perspective Transmutation Power Units of VVER Spent Fuel

Discussion

12.30-14.00  Lunch

14.00-15.30  Section 3. - continuation

Efanov A.D., Kalyakin S.G., Remizov O.D., Berkovich V.M., Taranov G.S. (IPPE Obninsk), Russian Federation:  
The Second-Stage Hydro-Capacity System for Passive Heat Removal from the VVER Reactor Core and the Thermal-Hydraulic Substantiation of its Serviceability

Efanov A.D., Lukianov A.S., Shangin N.N., Zaitsev A.A. (IPPE Obninsk), Soloviev S.L. (RF MinAtom Center of Software Development for NPPs and Reactor Installations), Russian Federation:  
KUPOL-M CODE for Simulation of the VVER’s Accident Localization System under LOCA Conditions

Matal O., jun., Zaloudek J., Matal O., Simo T. (ENERGOVÝKUM, Ltd), Brom J., Kratochvíl J., Hahn J. (ČEZ a.s.), Czech Republic:  
Innovations of Temelin Diagnostic and Monitoring Systems

15.30-16.00  Coffee break

16.00-17.00  Section 4. NPPs in the Environment of liberalized Market

Barré B. (President European Nuclear Society), France:  
Situation in France before Entering Liberalized Electricity Market

Hejkal J. (ČEZ a.s.), Czech republic:  
Readiness of Czech NPPs for open Energy Market

17.00-18.00  Poster Section

19.00  Meeting Reception

Friday, October 22, 2004

9.00-10.30  Section 4. - continuation

Sedlák J. (ČEZ a.s.), Czech republic:  
Generation Cost Reduction Measures in Czech Nuclear Power Plants

Pliska J., Rubek J., Roubal S. (I&C Energo s.r.o.), Czech Republic:  
Solutions for Increase of the NPP Operators Competitiveness in Liberalised Market

Roubal S., Petružela I., Rubek J. (I&C Energo s.r.o.), Kubica J. (ČEZ a.s.), Czech Republic:  
Providing Support Services at the Czech Nuclear Power Plants
Hobza L. (ČEZ a.s.), Czech Republic: Operating Results and Experience and Operating Regimes in Changing Demands of Energy World

Closing Discussion to Section 4.

10.30-11.00 Coffee break

11.00-12.00 Closure of the Meeting

Summary of Meeting Results and Recommendations
Closing Discussion

Linhart Z. (ČEZ a.s.), Czech Republic: Closing Address of Program Committee Chairman

12.00 Lunch

POSTER SECTION

Zmiško M., Švarc V., Kysela J. (Nuclear Research Institute Řež plc), Hanus V., Janešk J., Markytán M. (ČEZ a.s.), Czech Republic: VVER Operational Experience – Effect of Preconditioning and Primary Water Chemistry on Radioactivity Build-up

Holub I., Šťastný J. (Nuclear Research Institute Řež plc), Czech Republic: Architectural and Constructional Design of Temelín NPP

Bláha V., Máca K., Kodl P., Kroj L. (ŠKODA Nuclear Machinery), Czech Republic: Temperature Distribution in the Temelín NPP Primary Circuit Piping

Brynda J., Hogel J. (ŠKODA Nuclear Machinery), Brumovský M. (Nuclear Research Institute Řež plc), Czech Republic: First Experiences with Modified Surveillance Specimen Programme for RPV Temelín NPP

Král P., Pištora V. et al (Nuclear Research Institute Řež plc), Czech Republic: Impact of ECCS Design of VVER Reactors on PTS Issue

Štěpán J., Holub I., Malý J., Schererová K. (Nuclear Research Institute Řež plc), Czech Republic: Long-Term Monitoring of VVER1000 Temelín NPP Containment Structures and Comparison Measurements to Calculations

Zymák J., Valach M. (Nuclear Research Institute Řež plc), Czech Republic: 2D Models of the Pellet-Cladding Mechanical Contact

Hort J., Matal O. (Brno University of Technology), Czech Republic: Design Study on Steam Generator Integration into the VVER Reactor Pressure Vessel

Provod M. (ČEZ a.s.), Czech Republic: Usage of the Equipment for Shortening of Outage Duration on VVER 1000 Units

Presentations in the form of Posters are still invited. The abstracts should be submitted as an e-mail attachment sent to mantlik@ujv.cz. Abstracts have to be in English and should include:
1. The title of the poster
2. Full names of the authors, the business address and e-mail
3. The extent of the summary should not exceed one normalized page

If authors are interested, Posters should be also published in the Meeting Proceedings.

YOUR PARTNER FOR SUCCESS
IN THE GLOBAL WORLD OF BUSINESS,
SCIENCE, TECHNOLOGY,
CULTURE AND LEARNING

Find out about our extensive range
- of company presentations at exhibition and trade fairs throughout the world
- not forgetting the
- specialised missions
- scientific and technological conferences
- incentives
- concerts
- trips to broaden your knowledge and to relax

For both individuals and groups we can arrange
- air tickets and accommodation in every part of the world
- complete business trip packages

Our partners on our ten-year journey have been prominent Czech and foreign companies, institutions, scientific institutes, banks and cultural and social establishments.

Join us and let us all expand the partnership for the next millennium
For success of the Czech Republic in the global world
